As South Africa continues to confront deep-rooted inequalities, leaders attending Public Leadership for Gender Equality will be focusing on strengthening public leadership for gender equality in South Africa.

This important engagement will bring together government leaders, civil society, private sector stakeholders, and development partners to advance a coordinated and accountable approach to gender equality.

Members of the media are invited to attend and cover a high-level engagement focusing on strengthening public leadership for gender equality in South Africa.

Dates: 21–23 April 2026

Time: 08:00 – 17:30

Venue: Riveria Lane (Vivari Hotel), Krugersdorp.

The platform will highlight the role of public leadership in driving policy implementation, addressing gender-based violence and femicide (GBVF), and accelerating women’s socio-economic empowerment.
